

Introduction to Mrs Eva Donaldson

Eva was born at Wondai, Queensland, and in her younger years, travelled with the rest of her family throughout Queensland as her father was a Methodist Minister.

Eva met her future husband, Alan, through the Student Christian Movement, going on to become a high school teacher, marrying Alan, having four children and now eleven grandchildren.

Eva is the kind of person every church likes to have - a lovely, gifted and gracious woman whose willingness to share her faith and her gifts is legendary. A long time member firstly of the Methodist Church in Nambour and then with the Nambour Uniting Church, Eva has been involved in a leadership role with Crossroads for almost 25 years, helps out with Kids' Club and is a member of the Worship Team. She organises the *Powerpoint* presentations for worship and teaches others - usually much younger than herself - how to operate the programme.

Added to all this, she writes the powerful prayers and meaningful meditations included here, and we thank Eva for sharing her faith and gifts with us through them.
